2006 Registration Information

This brochure offers a brief overview of classes, programs and special events offered by the Village of Croton-on-Hudson Recreation and Parks Department for the Winter/Spring of 2006. Most classes have a limited number of spaces and are offered on a first-come, first-served basis. Therefore, early registration is encouraged. Programs may be canceled due to insufficient registration.

Village residents are those who reside within the boundaries of the incorporated Village of Croton-on-Hudson, and therefore, pay taxes to the Village. The programs and facilities of the Recreation and Parks Department are also made available to those who reside within the Croton-Harmon School District yet reside outside Village boundaries. In some cases, School District residents are required to pay a higher “non-resident” fee than Village residents, although they are given equal priority in the registration process. If there are still openings in certain programs after Village and School District residents have had an opportunity to register, the Department will consider non-resident applications at a higher fee and on a per-program basis.

For most programs, the mail-in registration form located in the back of this brochure can be used. Mail to: Croton Recreation and Parks Department, Stanley H. Kellerhouse Municipal Building, One Van Wyck Street, Croton-on-Hudson, NY 10520. **All checks or money orders should be made payable to:**

CROTON RECREATION DEPARTMENT

We do not accept credit cards. Program fees will not be pro-rated. If at any time you have questions or concerns about any of our programs or facilities, please call our office at 271-3006. The Recreation Department office is located on the second floor of the Croton Municipal Building; please feel free to stop by on a weekday between 8:30 AM and 4:00 PM. **Please check out the Village's website at www.crotononhudson-ny.gov.**

HOW TO WATCH A GOOD PROGRAM BE ELIMINATED

Nothing kills a recreation program faster than residents who wait until the last minute to register. There is a point when a program must be canceled or modified if there is insufficient registration. All programs require a high level of coordination, often including facility scheduling, staffing, volunteer recruitment, and purchasing of supplies. **PLEASE REGISTER EARLY!**

PHOTO I.D. CARDS

Beginning in January, the Recreation and Parks Department will be issuing photo I.D. cards to Village and School District residents on Tuesdays and Thursdays from 12:30 PM to 3:30 PM. Proof of current residency such as a valid drivers license AND a current utility bill or a current tax bill are required. (An expired I.D. card is NOT valid proof). The proof must be in the name of the person requesting the photo I.D. A fee of \$6.00 for Village residents and \$12.00 for School District residents is also required. The Recreation and Parks photo I.D. is required for entrance into certain Village Parks such as Senasqua Park and Silver Lake Park, and it is required to register for certain activities such as play at Hudson National Golf Course and pavilion rental at Senasqua Park, among others. For specific questions, call the Recreation Office at 271-3006.

REFUND POLICY

The Recreation Department does not issue refunds unless a program has been canceled due to insufficient registration. Registrants assume full responsibility for any changes in their personal life, which may affect their ability to participate. In rare cases, a participant may encounter an unforeseeable and unavoidable situation that may warrant a refund of fees paid. These situations will be reviewed on an individual basis by the Superintendent, who will then make a refund determination. Absolutely NO refunds will be issued if participation is suspended for disciplinary measures.

- No refunds will be made after the start of the first class or session.
- A processing fee of \$10.00 will be retained by the Village in all cases that refunds, or partial refunds, are granted.
- A \$10.00 processing fee also applies for section transfers, too
- There is an additional charge of \$20.00 on all returned checks.

MEDICAL INSURANCE

As an applicant for participation in recreation programs sponsored by the Village of Croton-on-Hudson, it is extremely important that you are aware that the Village DOES NOT provide medical insurance in such programs. If you do not have a personal medical insurance policy, we urge that you secure one prior to enrolling in any programs. All persons participate at their own risk.

INCLEMENT WEATHER POLICY

In case of inclement weather, listen to WHUD, 100.7 FM radio for announcements. If the Croton-Harmon Schools are closed due to inclement weather, all Recreation Department programs held at the schools are canceled, and all programs held prior to 4:00 PM are canceled. However, there are days when the weather clears and the roads are safe to travel and our evening programs at the Municipal Building can be held. Since there are other days when the weather is only poor in the evening and we are forced to cancel evening programs, we do not want to cancel our evening programs unnecessarily. Therefore, the Recreation Department will make a determination regarding evening programs held at the Municipal Building later in the day. Please call our office after 4:00 PM for a voice mail recording indicating if evening programs are canceled.
